Objectives

• Provide a platform for local young talents in the fields of architecture and design to showcase their skills and gain invaluable experience

• Enhance the vibrancy and cultural ambience of the West Kowloon Cultural District (WKCD)

• Raise the profile of Hong Kong design internationally

• Create a new space for the public to engage with WKCD

• Create a model for the Park and other public spaces in the District
Competition Rules

Eligibility

• Open to all Hong Kong residents (whether residing in Hong Kong or elsewhere), including permanent and non-permanent residents.

• Currently enrolled in undergraduate or postgraduate studies of architectural or other related design disciplines; or recently graduated from the above studies (<10 years)
Competition Structure

Stage 1

• Submitted entries will be adjudicated by the Judging Panel to select three shortlisted designs

Stage 2

• Three shortlisted design entries will proceed to design development

• One winning design will be chosen to be taken forward to construction for display of six months and may be relocated to other suitable location in WKCD in the future
Prizes

• **1 Winning Entry**
  • HKD $250,000
  • Prize Certificate for the 1st Prize.
  • Immersion opportunities

• **2 Commendation Entries**
  • HKD $100,000 each
  • Prize Certificate of Commendation for each of the 2 shortlisted participants.

Design Exhibition

• Winning entry and other selected entries will be displayed in a public exhibition - details to be announced later.
Design Brief

- Iconic and inviting architectural open space for people to enjoy (day and night), for casual activities such as meetings, relaxation, informal talks, workshops or performances

- Embodies the cultural and artistic values of the District

- Simple, cost-effective design; easy and quick to build, dismantle and be relocatable

- Consider use of sustainable materials and “green” features; natural ventilation and lighting

- Be inclusive and accessible to all
Design Brief

• One level structure with high ceiling or roof form allowed
• Require no additional provision of services and/or utilities than those available on site
• Sustain wind-loading and meet all structural and safety criteria and satisfy all relevant statutory requirements

Pavilion Budget

HK $5 million comprising:

• HK $4.5 million for construction cost
• HK $0.5 million for all other expenses relating to delivery of the project
